

**save-E LED E27 / 7 watts
LED lamp with App**

The save-E LED lamp E27 7 watts with App allows you to easily control one or several LED lamps with an App. Change the colour and brightness or combine up to 8 lamps to a group. Another distinctive feature is the time-controlled switching of the ON and OFF function of each individual LED lamp or as a whole group. If you like the colour of a photo of your gallery, you can display this colour on your LED lamp by touching the corresponding position on the photo.

- 7watts \pm 10% power consumption
- Bluetooth 4.0 LE
- 25.000 hours lifetime
- Bluetooth range up to 20m
- 490 lm luminous flux

Item number:	140856
