

TERRATEC CONNECT BT DOCK

Bluetooth adapter for iPhone Docking Station

- Wireless transfer from Smartphone, Tablet, PC or Mac
- Render your 30-pin Dock Bluetooth compatible
- Plug 'n Play, no drivers or software required
- Elegant design
- Control is directly performed with the Smartphone

The new TERRATEC CONNECT BT DOCK makes the docking station Bluetooth compatible. With the small add-on it is possible to easily upgrade hi-fi systems, car radios or boxes with 30-pin adapters.

In this way they are not only compatible to Apple devices of the latest generation, i.e. with lightning adapter but also connect to all other Bluetooth compatible music sources such as Android, Tablet or Smartphone.

The comfortable wireless music transfer of the TERRATEC CONNECT BT DOCK is performed via Bluetooth 2.1 +DER. The protocols A2DP and AVPCP are also supported. The transfer range is about 10 meters.
